## DISCLAIMER

This information is prepared on behalf of the Valuer General by the rules set out in the Rating and Taxing Valuation Procedures Manual v7.2.1 at section 4.2.4 Added value of improvements.

The raw data upon which this analysis is based is not included in the report. This report deals with the results of analysis in accordance with the above section of the procedure manual.

The tables refer to added value and not replacement cost, so should not be referenced for insurance purpose.

This report has been prepared on behalf of the Valuer General. The purpose of this report is to provide an overview of the added value of improvements table for the valuation program for the 1 July 2018 valuation in the Local Government Area of Central Coast.

This report is for the use only of the party to whom it is addressed and for no other purpose. No responsibility is accepted to any third party who may use or rely on the whole or any part of the content of this report.

Neither the whole nor any part of this report, or any reference thereto, may be relied upon or included in any document, circular or statement without our written approval of the form and context in which it will appear.

Robertson & Robertson hereby declares that it makes no guarantee, promise, warranty, representation or undertaking that the lodgement of this report will result in any predetermined requirements of the instructing party or client being satisfied.
