

# Objection checklist

## Please check your form to make sure you haven't missed:

- My objection is on the online objection form
- I have used a separate online objection form for each property
- I have provided three sales to support my contended land value
- I have provided an explanation about why the sales support my objection
- I have attached supporting information and documentation
- If your objection is late you have explained why
- I have completed all parts of the online form, including contact details
- I have told all the other landholders that I am lodging an objection
- I have recorded a copy of the reference number provided

## Next steps:

An electronic copy of your objection form will be emailed to you once it has been submitted online.
